

2014 CHORUM RED RESERVE

An unconventional blend of eight distinct varieties, the Chorum Red Reserve is a refreshing break from winemaking tradition. Every year this wine showcases the intensity, the elegance, and the gusto from our vineyard. By combining the dark, juicy Rhone varieties with the red fruit, tannin-driven Bordeaux varieties, this wine offers nuances that both layer and harmonize.

The 2014 Chorum Red is lush with vibrant aromatics and flavors that combine in a sumptuous medley. Plum, blackberry, and cedar aromas mingle with jam and espresso notes. Rich on the palate, this wine bursts with flavors of boysenberry, black cherry, and sarsaparilla. A blend of American and French oak barrel ageing helped soften the tannins, which are long, silky, and anchored by lively acidity.

APPELLATION
Paso Robles

ALCOHOL
14.9%
