VINEYARD & WINERY

2016 SAUVIGNON BLANC PASO ROBLES

Villa San-Juliette Vineyard & Winery is a picturesque wine destination located in the Paso Robles Estrella District. Embracing leisure, beauty and craftsmanship, Villa San-Juliette aims to delight every guest with its 100% estate grown Bordeaux and Rhone-style wines, artisan foods and breathtaking views.

TASTING NOTES: The 2016 Sauvignon Blanc was grown on the steep hillsides of our SIP-certified Estate vineyard and was harvested in small lots over the course of several days to optimize fruit complexity. Ageing in stainless steel preserved the tangy acidity of this lovely wine, while lees contact added creaminess and longevity to the mouthfeel. The aromatics of this wine are bright and enticing: lemongrass, lime zest, orange blossom, and tuberose rise out of the glass in rich, fruity waves. Abundant flavors of lemon curd, honey dew melon, and green papaya finish with an invigorating wet stone and juniper finish. Drink this wine chilled for a refreshing treat, or enjoy at cellar temperatures for a rich accompaniment to spicy seafood or creamy cheeses.

FOOD PAIRINGS: Shrimp pad thai, goat & feta cheese, crab cakes
