

VILLA SAN-JULIETTE

VINEYARD & WINERY

2016 CHORUM PASO ROBLES

Villa San-Juliette Vineyard & Winery is a picturesque wine destination located in the Paso Robles Estrella District. Embracing leisure, beauty and craftsmanship, Villa San-Juliette aims to delight every guest with its 100% estate grown Bordeaux and Rhone-style wines, artisan foods and breathtaking views.

TASTING NOTES: An unconventional blend of six distinct varieties, the 2016 Chorum Red Reserve is a refreshing break from winemaking tradition. Every year this wine showcases the intensity, the elegance, and the gusto from our vineyard. By combining the dark, juicy Rhone varieties with the red fruit, tannin-driven Bordeaux varieties, this wine offers nuances that both layer and harmonize.

The 2016 Chorum Red is lush with vibrant aromatics and flavors that combine in a sumptuous medley. Plum, blackberry, and vanilla aromas mingle with jam and espresso notes. Rich on the palate, this wine bursts with flavors of boysenberry, black cherry, and cinnamon. A blend of new American and French oak barrel aging helped soften the tannins, which are long, silky, and anchored by lively acidity.
